

## ESERCIZIO 1: REPORT

### Operating System

Windows 11 Home 64-bit

### CPU

**Processore AMD K19** con AMD Ryzen 5 5625U con **Radeon Graphics** con 1 Core e 1 Threads. CPU Caches 32 Kbytes.

| Caches                     |              |  |
|----------------------------|--------------|--|
| L1 Data Cache Size         | 32 KBytes    |  |
| L1 Instructions Cache Size | 32 KBytes    |  |
| L2 Unified Cache Size      | 512 KBytes   |  |
| L3 Unified Cache Size      | 16384 KBytes |  |

### RAM

**Tipo di RAM DDR4 da 8 GB (7522 Gb utilizzabile) dual channel. Sistema operativo a 64 bit**

| Physical Memory    |         |  |
|--------------------|---------|--|
| Memory Usage       | 91 %    |  |
| Total Physical     | 7.34 GB |  |
| Available Physical | 648 MB  |  |
| Total Virtual      | 13 GB   |  |
| Available Virtual  | 2.14 GB |  |

### STORAGE

**Hard Disk da 476 GB**

|                     |  |  |  |
|---------------------|--|--|--|
|                     |  |  |  |
| Manufacturer        | Western Digital                          |  |  |
| Interface/Connector | SATA 1.5 Gb/s with 22-pin SATA connector |  |  |
| Interface           | Unknown                                  |  |  |
| Capacity            | 476 GB                                   |  |  |
| Real size           | 512.110.190.592 bytes                    |  |  |
| RAID Type           | None                                     |  |  |
